

The Total Economic Impact™ Of The NodeZero™ Platform

FORRESTER®

Forrester interviewed six representatives at four organizations using the Horizon3.ai NodeZero platform and concluded that NodeZero has the following three-year financial impact.

SUMMARY OF BENEFITS

For the composite organization with \$500M annual revenue with a security team of four full-time employees testing 5,000 IP addresses:

For every \$1 spent on NodeZero

\$1.63 was realized

NODEZERO BY THE NUMBERS

95% avoided third-party penetration test costs attributed to NodeZero.

30% security operations time savings with NodeZero.

65% reduced vulnerability scanner reliance and licensing cost due to NodeZero.

VOICE OF THE CUSTOMER

“It gave us a lot of insight into [our environment] that we probably never knew about before. We were able to gain insights, find devices, and implement policies much faster.”

Information security engineer, construction

“By having NodeZero in place and constantly running, you can constantly take care of updates and fixes.”

Director of IT security, manufacturing
